

TEXT MESSAGING OPT-IN

There may be times throughout the year that St. Charles School would like to send a brief text message to parents. (ex.School closing midday because of weather) Since text messaging is not free; parents who want to opt-in for receiving texts from St. Charles School must complete a form giving permission. This service is provided by the company that we use for the Sunday evening call and does not increase our cost at all.

If you are interested in receiving text messages the first step is to complete the bottom portion of this form and return it to the school office. After cell phone numbers are entered into the system, we will advise you of step two.

Thank you,

Miss Mary Welsh

Child(ren) Name(s) and grade(s):

_____	_____
_____	_____
_____	_____
